3. Term Deposit

Islamic Banking is a Banking system that is based on the principles of sharia (Islamic law) and guided by the Islamic economics. The Shariah Laws provide guidance on each and every aspect of human life, and the laws which govern and guide financial and commercial transactions define Islamic Banking activities.

As the name suggests, a Term Deposit is a deposit held at a bank for a fixed term, generally ranging from a few days to a few years. Islamic Term deposit account offers a competitive return that varies according to the investment period that customer selects. Islamic Term deposits solutions offers their customers the returns based on the principle of profit-sharing.

Customers opt to invest in term deposits as they are a safe and secure mode of investment and yield higher returns than regular checking or savings accounts.

Pre-requisites

- Transaction access is provided to retail customers.
- Islamic Term Deposit products and accounts are maintained in the core banking system under a party ID mapped to the customer.

Note: In application

1) Account searchable drop-down will allow user to search the account number basis on the Account Number, Account Name, Account Currency or Branch Code or Account Currency.

2) Bank can configure the fields to be shown as additional values in the accounts drop-down.

Features Supported In the Application

The Retail Islamic Term Deposit module of the application supports the following features:

- Overview Widget
- View Term Deposits Summary
- View Term Deposit Details
- Edit Maturity Instructions
- Redeem Term Deposit
- View Term Deposit Statement
- Request Statement
- Apply for a New Term Deposit

3.1 Overview Widget

The overview widget displays an overview of the customer's holdings with the bank. The **Overview** widget displays the customer's holdings in each account type such as Current and Savings Accounts, Term Deposits, Loans, Investments and Credit Cards. It is a container and user can scroll from left to right, right to left. On clicking on any account type record, the widget displays details specific to that account type on next page. This Term Deposit summary page displays the of both Islamic and Conventional active term deposit accounts held by the customer along with the basic details of each term deposit. One such example is that of **Term Deposits**. The Term deposit card displays the details like Total Current Balance, Total Principal Amount, and Total Number of Term Deposit account held with the bank, and Maturity Amount. Basic details of individual term deposits are displayed as records. Each record displays basic information of the deposit which comprises of the term deposit account number, the product name, the names of the deposit account holders, current balance, maturity amount, maturity date, and the **More Actions** menu. .

Note: The Overview widget is available on both desktop and mobile (responsive) view.

How to reach here:

Dashboard > Overview Widget > Term Deposits card

The screenshot displays the Futura Bank dashboard interface. At the top, there is a search bar with the text "What would you like to do today?". Below the search bar, there are four summary cards: "Current Balance GBP 34,829,178.59", "Current Dues GBP 44,000.00", "Current Balance GBP 1,272,869.00", and "Current Outstanding Balance GBP 47,226.85". Below these cards, there are four sections: "Bills" (listing Engis, Water, and Orange S.A. bills), "Recent Transactions" (showing account-to-account transfers), and "Quick Insights" (warning about a critically low account balance). A "Fund Account" button and "Show Details" link are also visible in the Quick Insights section.
