1. Preface

1.1 Purpose

Welcome to the User Guide for Oracle Banking Digital Experience. This guide explains the operations that the user will follow while using the application.

1.2 Audience

This manual is intended for Customers and Partners who setup and use Oracle Banking Digital Experience.

1.3 Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customers that have purchased support have access to electronic support through My Oracle Support. For information, visit, <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

1.4 Critical Patches

Oracle advises customers to get all their security vulnerability information from the Oracle Critical Patch Update Advisory, which is available at [Critical Patches, Security Alerts and Bulletins](#). All critical patches should be applied in a timely manner to ensure effective security, as strongly recommended by [Oracle Software Security Assurance](#).

1.5 Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

1.6 Conventions

6. Stop/ Unblock Cheque

Cheques are physical instruments used for making payments. After a cheque is issued, a user may want to block payment in case of theft or misplacement of a cheque issued to a payee. For better management of cheques, the application has an online option to stop cheques - so that they cannot be utilized for making payment or cannot be misused.

Stop/ Unblock cheque feature allows user to stop a cheque issued for making payment. User can specify the cheque number and initiate a stop payment. The user will have to select the account number and the cheque number. The cheque number entered will be validated against the account number selected. This is an online request and cheque status will be changed to stop. The User has to specify the reason while stopping the cheque.

User can also specify the cheque range to stop a complete cheque series. Then user can initiate block request for complete cheque series in case cheque book has been lost or misplaced by him. The User has to specify the reason while stopping the cheque series.

Users can unblock already blocked/ stopped cheque by specifying the cheque number or cheque series through the online channel. It is an online transaction and on initiating the unblock transaction, cheques status will be immediately changed to unblocked. Unblocked cheques can be used for making cheque payments.

Note: Send to Modify functionality is now supported for this transaction.

FAQ

1. As a corporate User, what are the CASA accounts that I can view?

A Corporate User can view all the accounts that he has access to. This includes the accounts of his primary party as well as those of linked parties.

2. Can the user access CASA account details 24/7 on the online platform?

Yes, the user can access CASA account details 24/7, except at times of system downtime or transaction blackout.

3. Who all can view a nickname that a user has set?

One account can have multiple nicknames set by different users, who have access to that account – however only the logged in user can view the nickname he has set.

4. Are nicknames displayed in all places, where an account number is displayed?

No, Approvers can only view the account number, but not nicknames set by makers. Further Review screens contain the account number (where applicable), but not the nickname.
