Introduction

This Licensing Information document is a part of the product or program documentation under the terms of your Oracle license agreement and is intended to help you understand the program editions, entitlements, restrictions, prerequisites, special license rights, and/or separately licensed third party technology terms associated with the Oracle software program(s) covered by this document (the "Program(s)"). Entitled or restricted use products or components identified in this document that are not provided with the particular Program may be obtained from the Oracle Software Delivery Cloud website (***https://edelivery.oracle.com*** (***https://edelivery.oracle.com***)) or from media Oracle may provide. If you have a question about your license rights and obligations, please contact your Oracle sales representative, review the information provided in Oracle's Software Investment Guide (***http://www.oracle.com/us/corporate/pricing/software-investment-guide/index.html*** (***http://www.oracle.com/us/corporate/pricing/software-investment-guide/index.html***)), and/or contact the applicable Oracle License Management Services representative listed on ***http://www.oracle.com/us/corporate/license-management-services/index.html*** (***http://www.oracle.com/us/corporate/license-management-services/index.html***).

Licensed Products, Restricted Use Licenses, and Prerequisite Products

Certain Oracle licensed products require valid licenses for other Oracle products; licenses for these other Oracle products are included with your core license. Included licenses give you the rights to functionality limited to what is needed for your core licensed product; these are referred to as Restricted Use Licenses. In addition, some products require that you install other Oracle products; these are referred to as Prerequisite Products. The following topics identify what technologies are included within each core product license and also any other products you need to install in order to fully use the core product. Please see you Oracle Sales Representative for details.

Primavera Portfolio Management License

Restricted Use Licenses

The following restricted use licenses are included with your Primavera Portfolio Management license:

- Oracle Analytics Publisher (formerly Business Intelligence Publisher): valid for users to schedule/execute/run reports within the Primavera application. Any users who need to customize or create new reports will need a full use license of Oracle Analytics Publisher (or Oracle Analytics Publisher for Oracle Applications). There is no minimum Named User Plus requirement for Oracle Analytics Publisher (formerly Business Intelligence Publisher).

- Unified Business Process Management Suite and its prerequisites (SOA Suite for Oracle Middleware and WebLogic Suite): valid for licensed users of the Primavera application who are consuming/participating in the Primavera workflows (workflows within Primavera applications or integrating Primavera applications with Oracle applications) or forms. Any users who need to change or create new workflows will need a full-use license of Unified Business Process Management Suite (or Unified Business Process Management Suite for Oracle Applications) and its prerequisite products. There is no minimum Named User requirement for full use licenses.

Prerequisite Products

Install the following additional Oracle products to use Primavera Portfolio Management:

For users who change or create new workflows using web services and events from Primavera applications, Named User Plus licenses are recommended for Unified Business Process Management Suite (or Unified Business Process Management Suite for Oracle Applications), SOA Suite for Oracle Middleware (or SOA Suite for Oracle Middleware for Oracle Applications), and WebLogic Suite (or WebLogic Suite for Oracle Applications). There is no minimum Named User Plus requirement for the recommended products above.

Notes

Other included components: Prosight Bridge for Microsoft Project Server 2003/2007 and Primavera P6, Fast Track for APM, Fast Track for PPM, Propose.

Primavera Capital Planning and Investment Control Budgeting

Prerequisite Products

Install the following additional Oracle products to use Primavera Capital Planning and Investment Control Budgeting:

- Primavera Portfolio Management

Notes

Other included components: Fast Track for CPIC Budgeting, Fast Track for EVIA.

Notices and Disclosures

Required notices for open source and commercial software products or components distributed in PPM are identified below, along with the applicable licensing information. Additional notices and/or licenses may be found in the included documentation or readme files of the individual third party open source software.
