1. Preface

1.1 Introduction

This user manual is designed to help you quickly get acquainted with Checklist Maintenance process in Oracle Banking Trade Finance Process Management.

1.2 Audience

This manual is intended for the following User/User Roles:

- Oracle Implementers
- Customer Service Representatives (CSRs)
- Oracle user

1.3 Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customers that have purchased support have access to electronic support through My Oracle Support. For information, visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

1.4 Organization

This manual is organized into the following chapters:

- Preface gives information on the intended audience, structure, and related documents for this User Manual.
- The subsequent chapters provide an overview to the module.

1.5 Related Documents

- Getting Started User Guide
- Common Core User Guide

1.6 Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry

standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

1.7 Conventions

The following text conventions are used in this document:

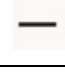

Convention	Meaning
boldface	Boldface type indicates graphical user interface elements associated with an action, or terms defined in text.
<i>italic</i>	Italic type indicates book titles, emphasis, or placeholder variables for which you supply particular values.
monospace	Monospace type indicates commands within a paragraph, URLs, code in examples, text that appears on the screen, or text that you enter.

1.8 Screenshot Disclaimer

Personal information used in the interface or documents is dummy and does not exist in the real world. It is only for reference purposes.

1.9 Glossary of Icons

This User Manual may refer to all or some of the following icons.

Icons	Function
	Exit
	Add row
	Delete row
	Option List

2. Checklist Maintenance

Checklist Maintenance process enables the OBTFPM user to maintain Checklist Items and map them to the process and stage level.

The user can Create Checklist, Map Checklist to Process- Stage and View Checklist Summary.

This section contains the following topics:

[2.1 Creating Checklist](#)

[2.2 Viewing Checklist](#)

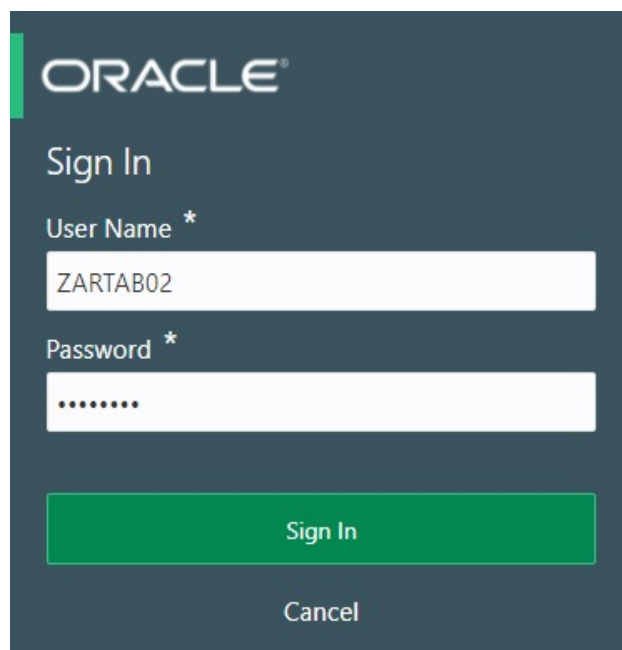

[2.3.1 Creating Checklist Linkage](#)

[2.3.2 Viewing Checklist Linkage](#)

2.1 Creating Checklist

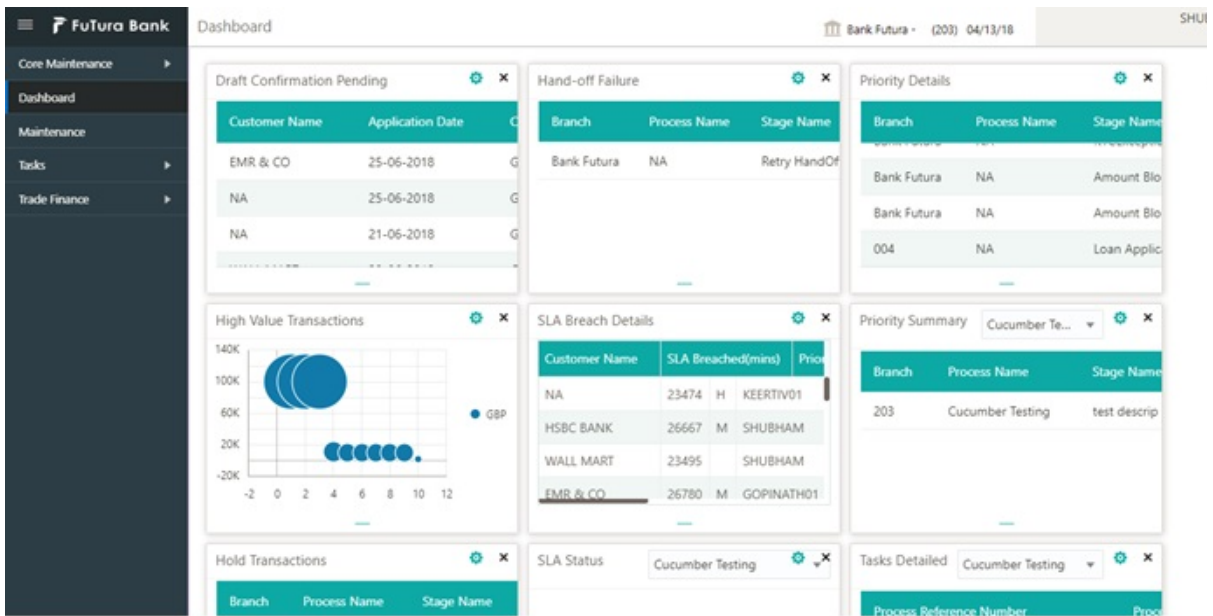

This process allows the user to create a checklist. In the subsequent steps, let's look at the steps of creating a Checklist process:

1. Using the entitled login credentials for Registration stage, login to the OBTFPM application.

The screenshot shows the Oracle Sign In dialog box. It features the Oracle logo at the top left. Below the logo, the text "Sign In" is displayed. There are two input fields: "User Name *" with the value "ZARTAB02" and "Password *" with masked characters. At the bottom, there are two buttons: "Sign In" (highlighted in green) and "Cancel".

- On login, user must be able to view the dashboard screen with widgets as mapped to the user.

- Click **Core Maintenance > Checklists > Checklist Maintenance**.

The Checklist maintenance screen appears.

4. Click Plus icon. The Checklist screen with fields appear.

Checklist
