By default, policy exceptions are displayed for both the party and child parties. To view the policy exceptions for particular party / child party, select the required party / child party from the drop down list at top left corner.

13. Click the **Checklist** data segment.

# Chapter 3 - Handoff - Manual Retry

The screenshot shows a web application window with a close button (X) in the top right corner. A progress bar at the top indicates two steps: 'Policy exceptions' (represented by a white circle) and 'Checklist' (represented by a blue circle with the number 2). Below the progress bar, there is a text box containing the message 'No items to display.' At the bottom right, there is a dropdown menu labeled '\* Outcome' with 'Proceed' selected, and a green 'Submit' button.

14. Select the **Outcome** as 'Proceed'.
15. Click **Submit**. The Amendment application will be handed off to the Back Office System (OBELCM).

# Chapter 3 - Document Upload

## Document Upload and Checklist

In OBCFPM, supporting documents such as balance sheets and collateral documents can be uploaded in any stage of Group Concentration Limit Amendment process. Supporting documents help the senior officers in bank to accurately evaluate the credit worthiness of the organization and approve the amendment. Documents added for the amendment process can be removed whenever the document becomes invalid.

### Steps to upload documents

1. Click  at the top right corner of any page. The *Documents* window appears.

If the document list is configured in Business Process Maintenance, the same appears in the above window. You can also click the add icon to upload other documents.

In case the mandatory document is not uploaded, the system prompts an alert. You need to upload the necessary documents and proceed further.

2. To change the table view to the list view, click the list icon at the top right corner. The *Documents* window appears as shown below.
