Chapter 1 - Introduction

Preface

About this guide

This guide provides the user with all the information necessary to perform Group Concentration Limit Amendment process in OBCFPM.

Intended Audience

This document is intended for the banking personnel responsible for modifying liability limit for the group entity.

Conventions Used

The following table lists the conventions that are used in this document:

Convention	Description
Italic	Italic denotes a screen name
Bold	Bold indicates • Field name • Drop down options • Other UX labels
	This icon indicates a note
	This icon indicates a tip
	This icon indicates a warning

Chapter 1 - Introduction

Common Icons in OBCFPM

The following table describes the icons that are commonly used in OBCFPM:

Icons	Icon Name
	Add icon
	Calendar icon
	Configuration / settings icon
	Delete icon
	Edit icon

Chapter 3 - Overview

Overview

The Group Concentration Limit Amendment process is defined to modify the group concentration limit set for the group entity using Group Concentration Limit process. The banks can initiate this process whenever the group concentration limit has to be modified.

The following stages are available in the Group Concentration Limit Amendment process:

- Initiation
- Enrichment
- KYC Check (Optional)
- Review and Recommendation
- Approval
- Documentation
- Handoff
- Handoff - Manual Retry (applicable in case of Handoff failure)

Chapter 3 - Initiation

Amendment Initiation

In this stage, the user can initiate Group Concentration Limit Amendment for the requested customer by modifying the facility details.

To initiate Group Concentration Limit Amendment Process, perform the following steps:

Initiation Steps

1. Login to OBCFPM.
2. Navigate to **Credit Facilities > My Portfolio**. The *My Portfolio* page appears:

The screenshot displays the 'My Portfolio' page. At the top, there's a header with 'Bank Futura - Canary Whar...' and 'Apr 13, 2019'. Below the header, there's a search bar with 'Type to filter' and a '+ New Proposal' button. The main table has columns: Customer, Customer Id, Amount Sanctioned, Balance Available, Earmarked, and Annual Review Date. The first row shows a customer with ID 'PTY201514287' and \$0.00 in both sanctioned and available amounts. Below the table, there are several sections: '1 Entities' with a 'View all' link, 'Financial Info' with a 'View all' link, 'WIP Applications' with a 'View all' link, 'Ratings' with a 'View all' link, and 'Upcoming events' with a 'View all' link. At the bottom, there are buttons for 'Initiate Amendment', 'Initiate PSN', 'Initiate Closure', 'Initiate T&c Compliance', 'Initiate GC Amendment', 'Initiate GC Extension', 'Initiate Facility Review', and 'Initiate SF Credit Process'.

3. Click and expand the required customer.
4. Click **Initiate GC Amendment**. The *Initiation* page appears.

Or

5. Navigate to **Credit Facilities > Corporate > Group Concentration > GC Amendment**. The *Initiation* page appears.

Chapter 3 - Initiation

Oracle GC Amendment interface showing filters for Application Priority (Low, Medium, High), Application Branch (004), and Party Id (PTY192560509). The interface displays a table of WIP Applications with columns: Application Number, BranchCode, Priority, Party Id, Customer Name, Process Name, and Current Stage. The table lists five applications, all with a priority of Low. The 'Initiate GC Amendment' button is visible at the bottom right.

6. Select the GC Amendment **Application Priority**. The options available are: Low, Medium, and High.
7. Select the **Application Branch**. Bank branches maintained in the system are displayed in LOV.
8. Search and select the required **Party Id** for which GC amendment has to be initiated. The system displays all the WIP applications for the selected party and enables **Initiate GC Amendment** button.
9. Click the **Initiate GC Amendment** button. The *Initiation - Customer Info* page appears.

Customer Info

This data segments allows the user to view and manage all the information about the group entity added in Group Concentration Limit Initiation process.

Group Concentration Amendment - Group Concentration Amendment Initiation window. The 'Customer Info' tab is selected. A tooltip displays customer details: Name: Tata group, Party Id: PTY201344329, Type: Customer, Demographic Type: Domestic, Organization Type: Proprietorship. A context menu is open over the tooltip, showing options: Add Customer, Link Customer, View, and Configure. The bottom of the window has buttons: Hold, Back, Next, Save & Close, and Cancel.

10. Mouse hover on the customer icon to view basic information about the group entity.

Chapter 3 - Initiation

11. Right click on the party / child party icon to perform the following actions:
- **Add Customer** for the party / child party
 - **Link Customer** to the party / child party
 - **Delink Customer** (applicable only for linked customers)
 - **Move** (child party) **Internally**
 - **Delete** (applicable only for child parties added using **Add Customer** option)
 - **Undo** linkage
 - **View** party / child party information
 - **Quick View** party / child party information
 - **Configure** party / child party information

The following table describes the functionality of each actions listed above:

Actions	Functionality
Add Customer	Displays the <i>Customer Details</i> window to add customer of the group entity
Link Customer	Displays the <i>Select Customer</i> window to link existing customer
View	Displays the <i>Customer Details</i> window for viewing detailed information about the group entity
Quick View	Displays <i>View Entity Details</i> window with basic information about the group entity
Configure	Displays the <i>Customer Details</i> window for modifying group entity details
Delink Customer	Removes the customer from the entity group for linking with other entity group
Move Internally	Displays a window to select an internal parent party
Delete	Permanently deletes the customer and their details from the database

Add Customer

In the *Customer Info* page, you can add any number of customers (child party) to the party / child party. If a child party is marked as a joint customer while adding customer to the party / child party, you cannot add customers to that child party.

12. To add a child party to the party / child party, click **Add Customer**. The *Customer Details* window appears.

Close

15. Specify any or all of the following filter parameters:

- Customer Name
- Party ID
- External Customer No
- Country

16. Click **Filter**. Customer records matching the filter parameters appear.

17. Click on the required customer record. Customer details get defaulted in the *Initiate Group Concentration Limit* window.

Organization details

If the **Customer** is selected as **New**:

18. Type the **Organization Name**.

19. Select the **Organization Type** from the drop down list. The options available are **Single** and **Conglomerate**.

20. Select the **Entity Type** from the drop down list. The options available are **Proprietorship, Pvt Ltd, Public Ltd, Govt Owned, Trusts, Clubs, Society, Associations, Limited Liability Partnership, Foreign Bodies, NGO** and **Others**.

21. Select the **Demography Type** from the drop down list. The options available are **Domestic** and **Global**.

Upon selecting **Global** option, **Geographical Spread** field appears.

22. Search and select all the countries in which the group entity is operating as **Geographical Spread**.

Chapter 3 - Initiation

23. Select the **Country of incorporation** from the drop down list.
24. Click the calendar icon and select the **Incorporation date** of group entity.
25. Select the party's **Country of risk** from the drop down list.
26. Type the following addresses in respective fields:
 - Website Address
 - Facebook Address
 - Twitter Address

Customer sector

27. Click the **+Add sector** link to capture industry and rating details of the group entity. The *Add Industry* window appears:

The 'Add Industry' window displays a hierarchical selection process:

Sectors	Industry Groups	Industries	Sub-Industries
Energy >	Energy >	Energy Equipment >	Oil Drilling
Utilities >		Oil, Gas Fuels >	Oil Equipment
Real Estate >			
Materials >			
Industrials >			
Consumer Discretionary >			
Consumer Staples >			
Health Care >			

A 'Cancel' button is located at the bottom right of the window.

28. Select a sector of the group entity. Available **Industry Groups** appear.
29. Select the **Industry Group** of the group entity. Available **Industries** appear.
30. Select the Industry of the group entity. Available **Sub-Industries** appear.
31. Select the sub-industry of the group entity. Industry details are added and displayed in **Industry** section as shown below:

The 'Customer sector' window shows the selected industry details:

- Energy** (Sector)
- Energy** (Industry Group)
- Energy Equipment** (Industry)
- Oil Drilling** (Sub-Industry)

A '+Add sector' link is visible in the top right corner.

Chapter 3 - Initiation

32. To delete the added industry, click the delete icon.

If the customer is into different sectors, all the sector details must be captured while adding the customer. To add another sector information, click +Add sector and capture the information again.

The industry added first will be considered as the default industry.

Customer Rating

33. Click the **+Add ratings** link to add customer's rating information. The *Add Rating* window appears:

Rating Date *	Outlook *	Year Of Rating *
Apr 13, 2019	Positive	2019

Close

34. Select the following details:

- Rating Date
- Outlook
- Risk Ratings
- Rated By

The **Year Of Rating** is automatically populated based on the selected **Rating Date**.

Upon selection of the above details, the rating is added and displayed in the ratings section as shown below:

Customer Rating [+Add ratings](#)

Moodys

AAA

Positive

2019

Chapter 3 - Initiation

35. To modify the added rating, click the edit icon.
36. To delete the added rating, click the delete icon.

If the customer is rated by different rating firms, all the rating information must be captured while adding customer. To add another rating information, click **+Add ratings** and capture the information again.

Other Details

37. Enable the **Special Customer** flag, if the customer is special to your bank.
38. Enable the **Join Customer** flag, if the customer is a joint customer of another party.

RM Details

User Id of the logged in user gets defaulted in this field. You can modify the RM Id, if required.

39. Click **Create**. Customer is added and displayed in the *Customer Info* page.

Link Customer

If you want to link a customer that is already a part of different entity group to a party in this group, you can select the Link Customer option.

Using this option, both the existing customers for which parent party is not available and the existing customers that already have parent can be linked to a new party.

Linkage of existing customers that already have parent party with a new party can be done in the case of mergers and acquisitions, etc. In order to perform this, the party to be linked to the new party must be delinked from its current parent party.

Refer [“Delink Customer” on page 14](#) for information on delinking a child party from its parent party.

40. To link existing customer, right click the party icon and select **Link Customer**. The *Select Customer* window appears:

41. Click **Fetch** and select the required customer record. Selected customer is linked to the parent party as shown below:

Chapter 3 - Initiation

After linking existing customer, the following actions can be performed by right clicking the linked party icon:

- **Add Customer** for the child party
- **Link Customer** for the child party
- **View** child party details
- **Quick View** child party details
- **Configure** child party information
- **Move** (child party) **Internally**
- **Undo** linkage

Move Internally

Existing customers linked to a new party can be internally moved within the hierarchical structure by using this option.

42. Right click on the linked party icon and select **Move Internally**. The following window appears:

Chapter 3 - Initiation

Move Internally

Select Customer *

Link

Cancel

43. **Select Customer** from the drop down list.

44. Click **Link**. The linked existing party is moved under the selected party.

You can also directly drag on drop the linked party icon under the required party to move them internally within the hierarchy.

Undo

You can always undo the link established between the existing customer and the new parent party.

45. Right click on the linked party icon and select **Undo**, a confirmation dialog box appears.

46. Click **Confirm**. The linked existing customer is delinked from the hierarchy.

Delink Customer

For linking a party under a particular group entity to different group entity, it must be delinked from its current hierarchy using **Delink Customer** option.

To delink a child party:

47. Initiate **Group Concentration Amendment** process for the group from which the child party has to be delinked.

48. Right click the party icon and select **Delink Customer**. A confirmation dialog box appears.

49. Click **Confirm**.

The party will be delinked once the approver approves the operation and the system hands off the details to back office system (OBELCM).

59. Click the Calendar icon and select the **Next Review Date**. Review task for the Group Concentration Limit Amendment application will be created on the selected date.

60. Click the Calendar icon and select the **Requested Expiry date** (expiry date requested by the entity).

61. Click **Save**. The *Liability Details* page is updated with the modified details.

62. To change the layout of Liability Details page to table view, click the **Table View** icon.

63. To change the layout of Liability Details page to tree view, click the **Tree View** icon.

64. To go to the *Comments* page, click **Next**.

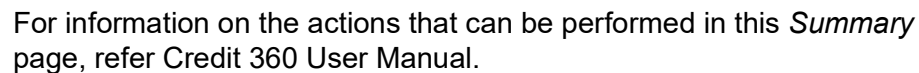

Comments

The user can post overall comments about the Amendment Initiation stage in this data segment. Providing comments for a stage allows the other users to easily identify the actions performed in that stage.

65. Type the necessary comments in the text box and click **Post**. Comments are added below the text box.

66. To go to the Summary page, click **Next**.

This data segment is the graphical representation of customer information such as Facility Summary, Collateral Summary, Other Bank Facilities, Covenants, Terms & Conditions, Financial Profile, Projections, Upcoming Events, Group Entities, Scores, Groupwise Exposure Details, Connected Parties, and Ratings.

19

Chapter 3 - Initiation

67. To hold the Amendment Initiation, click **Hold**.
68. To go back to the previous page, click **Back**.
69. To save and exit the window, click **Save & Close**.
70. To submit the Amendment Initiation task, click **Submit**.
71. To cancel the operation, click **Cancel**.

Upon clicking **Submit**, the *Policy Exception* window appears:

The screenshot displays the 'Policy Exception' window, which is a checklist interface. At the top, there is a progress bar with a single step labeled '1'. Below the progress bar, there are two tabs: 'Policy exceptions' (selected) and 'Checklist'. A dropdown menu on the left shows 'All'. The main content area is divided into several sections, each representing a different policy exception category. Each section has a header, a status bar with a total count, and a list of items with their respective statuses.

Category	Total	Met	Breached
Minimum eligibility criteria	00	00	00
Products	00	00	00
Pricing	00	00	00
Unsecured lending	00	00	00
Document	00	00	00
Collateral	00	00	00
Covenants	00	00	00
Terms & Conditions	00	00	00

Each section also includes a status bar with the following labels: INITIATED, NOT INITIATED, APPROVED, REJECTED, and DEFERRED. The status bar for each section shows the count for each label.

By default, policy exceptions are displayed for both the party and child parties. To view the policy exceptions for particular party / child party, select the required party / child party from the drop down list at top left corner.

72. Click the **Checklist** data segment.

Chapter 3 - Initiation

In Enrichment stage, **Is KYC Required** check box appears in the above window. Select the **Is KYC Required** check box to create KYC Check task.

73. Select the **Outcome** as 'Proceed' and click **Submit**. The amendment application is moved to the 'Enrichment' stage.

Chapter 3 - Enrichment

Amendment Enrichment

In this stage, the user can enrich the Group Concentration Limit Amendment application by modifying the liability details added in Amendment Initiation stage.

Refer Initiation chapter for field level explanation on Amendment Enrichment stage.

Upon submitting the enriched amendment application, the application is moved to the 'Review and Recommendation' stage.

If **Is KYC Required** option is selected in the **Checklist** window, the application is moved to the 'KYC Check' stage on clicking **Submit**.

Chapter 3 - KYC Check

KYC Check

This is an optional stage and it is applicable only if the **Is KYC Required** check box is selected in the 'Enrichment' stage. If the KYC details are available for the group entity, then the banker can add the KYC details to the Group Concentration Limit Amendment application. Adding KYC details helps the Reviewer and Approver to determine the originality of the organization.

Company's KYC related data must be updated as per bank and regulatory policy requirement.

Steps to add KYC details

To add KYC details, perform the following steps:

1. In OBCFPM, navigate to **Tasks > Free Tasks**. The *Free Task* page appears:

6. If KYC report is available for the organization, enable the **Report Received** switch.
7. Click the calendar icon and select the KYC **Verification Date**.
8. Click the calendar icon and select the **Effective Date** on which the KYC verification is approved.
9. Type the **KYC Method**. For example: Field verification is a KYC Method.
10. Select the **KYC Status**. The options available are **Verified**, **Yet To Verify**, and **Verification Failed**.
11. Click **Create**. KYC details are updated in the *KYC* page.
12. To perform KYC evaluation, click the hamburger icon and select **KYC Evaluation**. Questionnaire maintained for the KYC evaluation appears.

The screenshot shows a web form titled "MICHIGAN LTD" with navigation buttons "< Previous Category" and "Next Category >" at the top left. A "Total Score 4" badge is at the top right. The main content area is titled "Profitability" and includes a "Score 4" badge. The questionnaire asks: "Is the real financial strength significantly different from what is reflected in the financial statement?". Below the question are two radio button options: "Yes" and "No". The "No" option is selected, indicated by a green bar. Below the options is a "Comment" text area. At the bottom right, there are "Cancel" and "Save" buttons.

Chapter 3 - KYC Check

13. Select answers for the available questions and click **Next Category**.
14. Right arrow icon appears in case of multiple questions, click the right arrow and answer all the questions in all the category.

Total score is generated and displayed for the KYC evaluation based on each answer provided.

15. Click **Save**. The *KYC* page is updated with the Evaluation Score as shown below:

Hold Back Next Save & Close Submit Cancel

17. **Post** comments, if required. Posted comment is displayed below the **Comments** box.

18. Click **Submit**. The *Policy exceptions* window appears.

Chapter 3 - KYC Check

By default, policy exceptions are displayed for both the organization (party) and its child party.

19. To view the policy exception detail specific to party or child party, select the party from the drop down list at top left corner.

20. Click the **Checklist** data segment.

Chapter 3 - KYC Check

The screenshot displays a web interface for a KYC check. At the top, a progress bar indicates two steps: 'Policy exceptions' (Step 1) and 'Checklist' (Step 2). The 'Checklist' step is currently active, and a message box below it states 'No items to display.' At the bottom right, there is a dropdown menu labeled '* Outcome' with 'Proceed' selected, and a green 'Submit' button.

21. Select the **Outcome** as **PROCEED**.
22. Click **Submit**. The amendment application is moved to the 'Review and Recommendation' stage.

Chapter 3 - Review and Recommendation

Amendment Review and Recommendation

In this stage, the user can review the liability modifications made in the Amendment Enrichment stage and propose the liability amount, funded sell down, and unfunded sell down.

In this chapter, only the steps to review and recommend are provided. For more field level explanation, refer the Initiation chapter.

Review and Recommendation Steps

1. In OBCFPM, navigate to **Tasks > Free Tasks** from the left navigation menu. The **Free Tasks** page appears:

Chapter 3 - Documentation

The screenshot shows a 'Comments' section with a title bar 'Comments' and a page indicator 'Screen (3 / 4)'. Below the title bar is a rich text editor toolbar with icons for undo, redo, bold, italic, underline, strikethrough, text color, and a font size dropdown. The editor area contains the placeholder text 'Enter text here...'. Below the editor is a green 'Post' button. Underneath the post button is a box displaying 'No items to display.' At the bottom right of the section are five buttons: 'Hold', 'Back', 'Next', 'Save & Close', and 'Cancel'.

5. **Post** comments for the Documentation stage, if required. Posted comment is displayed below the **Comments** box.

6. Click **Next**. The *Draft Generation* page appears.

The screenshot shows a 'Draft Generation' section with a title bar 'Draft Generation' and a page indicator 'Screen (1 / 3)'. The main area contains a form with two labels: 'Document Name : ' followed by a text input field, and 'Document Description : ' followed by a larger text area. Below the text area are three icons: a document icon, a search icon, and a download icon. At the bottom right of the section are five buttons: 'Hold', 'Back', 'Next', 'Save & Close', and 'Cancel'.

7. Click the Generate icon next to the search icon. Draft document will be generated.

8. Click the Download icon next to the search icon. Draft document will be downloaded.

9. To submit the documentation task, click **Submit**. The *Policy Exception Summary* window appears.

Chapter 3 - Documentation

By default, policy exceptions are displayed for both the party and child parties. To view the policy exceptions for particular party / child party, select the required party / child party from the drop down list at top left corner.

10. Click the **Checklist** data segment.

Chapter 3 - Documentation

The screenshot shows a web application window with a close button (X) in the top right corner. A horizontal progress bar at the top indicates the current step in a process. The first step, 'Policy exceptions', is represented by an empty circle. The second step, 'Checklist', is represented by a blue circle with the number '2' inside. Below the progress bar, a rectangular box contains the text 'No items to display.' At the bottom right of the window, there is a label '* Outcome' followed by a dropdown menu currently set to 'Proceed' with a downward arrow. To the right of the dropdown is a green button labeled 'Submit'.

11. Select the **Outcome** as 'Proceed'.
12. Click **Submit**. The Group Concentration Limit Amendment application is moved to the Handoff stage.

Chapter 3 - Handoff

Amendment Handoff

The Group Concentration Limit Amendment application will be automatically handed off to the back office system (OBELCM) after successful submission of the application.

In case of failure, the system will create a Handoff - Manual Retry task for manual submission of the application.

Chapter 3 - Handoff - Manual Retry

Handoff - Manual Retry

In this stage, the user can manually retry handoff for the failed Amendment application by making necessary changes based on the reason for failure.

Manual Retry Steps

1. In OBCFPM, navigate to **Tasks > Free Tasks** from the left navigation menu. The *Free Tasks* page appears:

By default, policy exceptions are displayed for both the party and child parties. To view the policy exceptions for particular party / child party, select the required party / child party from the drop down list at top left corner.

13. Click the **Checklist** data segment.

7

Chapter 3 - Handoff - Manual Retry

The screenshot shows a web application window with a close button (X) in the top right corner. At the top, there is a progress bar with two steps: 'Policy exceptions' (indicated by a white circle) and 'Checklist' (indicated by a blue circle with the number 2). Below the progress bar, there is a message box that says 'No items to display.' At the bottom right, there is a label '* Outcome' followed by a dropdown menu currently showing 'Proceed' with a downward arrow. Next to the dropdown is a green 'Submit' button.

14. Select the **Outcome** as 'Proceed'.
15. Click **Submit**. The Amendment application will be handed off to the Back Office System (OBELCM).

Chapter 3 - Document Upload

Document Upload and Checklist

In OBCFPM, supporting documents such as balance sheets and collateral documents can be uploaded in any stage of Group Concentration Limit Amendment process. Supporting documents help the senior officers in bank to accurately evaluate the credit worthiness of the organization and approve the amendment. Documents added for the amendment process can be removed whenever the document becomes invalid.

Steps to upload documents

1. Click  at the top right corner of any page. The *Documents* window appears.

If the document list is configured in Business Process Maintenance, the same appears in the above window. You can also click the add icon to upload other documents.

In case the mandatory document is not uploaded, the system prompts an alert. You need to upload the necessary documents and proceed further.

2. To change the table view to the list view, click the list icon at the top right corner. The *Documents* window appears as shown below.

Chapter 3 - Document Upload

The 'Documents' window has a title bar with a close button. Below the title bar is a 'Document Status' dropdown menu set to 'All'. To the right of the dropdown are icons for a grid and a list view. The main content area has a section titled 'Proposal Documents / Proposal Documents' with a blue circular '+' icon and an upload icon. Below this is another blue circular '+' icon with the text 'Add additional document'. At the bottom right is a green 'Done' button.

3. Click the add icon. The *Document Details* window appears.

The 'Document' window has a title bar with a close button. The form contains several fields: 'Document Type' (dropdown, required) with 'Closure Documents' selected; 'Document Code' (dropdown, required) with 'Closure Documents' selected; 'Document Title' (text input, required) with 'Facility Payment Bills'; 'Document Description' (text area); 'Remarks' (text input) with 'Paid'; and 'Document Expiry Date' (calendar input) with 'Mar 21, 2020'. At the bottom is a large dashed box with the text 'Drop files here or click to select' and 'Selected files: ["pdf-PDF-Invoice3.pdf"]'. A green 'Upload' button is at the bottom right.

4. Select the **Document Type** and **Document Code** from the drop down list. The options available are: Amendment Documents, Proposal Documents and Closure Documents.
5. Type the **Document Title**.
6. Type a brief description about the document in the **Document Description** field.

Chapter 3 - Document Upload

7. Type the **Remarks**, if any.
8. Click the calendar icon and select the **Document Expiry Date**.
9. In **Drop files here or click to select** area, drag and drop the documents or click and select the documents. Selected files are displayed at the bottom.

To upload multiple supporting documents at the same time, drag and drop or click and select all the documents.

10. Click **Upload**. The *Checklist* window appears.

Checklist

Proposal Enrichment

☒ Company Registration document Uploaded	Remarks
☐ Incorporation document Uploaded	Remarks
☐ Collateral document Uploaded	Remarks

* Outcome: Proceed ▼ Submit

11. Manually verify all the checklist and enable the corresponding check box.
12. Select the **Outcome** as **Proceed**.
13. Click **Submit**. Document is uploaded and listed in Document window.
14. To edit or delete the document, click the edit or delete icons.
