1. Preface

1.1 Purpose

Welcome to the User Guide for Oracle Banking Digital Experience. This guide explains the operations that the user will follow while using the application.

1.2 Audience

This manual is intended for Customers and Partners who setup and use Oracle Banking Digital Experience.

1.3 Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customers that have purchased support have access to electronic support through My Oracle Support. For information, visit, <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

1.4 Critical Patches

Oracle advises customers to get all their security vulnerability information from the Oracle Critical Patch Update Advisory, which is available at [Critical Patches, Security Alerts and Bulletins](#). All critical patches should be applied in a timely manner to ensure effective security, as strongly recommended by [Oracle Software Security Assurance](#).

1.5 Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

1.6 Conventions

The following text conventions are used in this document:

Convention	Meaning

5. Collateral Summary

Collateral is the borrower's pledge of a specific asset to secure a Credit Facility. This asset serves as protection for the bank against borrower's default of payment.

The collateral summary gives consolidated view of Collaterals and Collateral groups that are pledged by the corporate. Corporate user can also view the Collaterals linked to the Collateral group.

A Collateral group is a pool of collaterals, defined by the users, which gets linked to a credit facility.

An option is also provided on the screen to search a specific collateral by entering any key word. Apart from that, the user can also filter the collateral based on Collateral Groups, Collateral, Collateral Group ID, Group Amount Range, and Available Amount Range.

How to reach here:

Dashboard > Toggle menu > Credit Facility Management > Collaterals > Collateral Summary
OR

Dashboard > Toggle menu > Credit Facility Management > Overview > Collaterals Widget > View Details link

To view the collateral summary:

On navigating to the screen, the summary of all collaterals of a corporate user main party are listed by default. Related party's collaterals can be viewed by selecting the desired related party from the drop down.
