

What's New for Oracle Cloud Marketplace

Here's an overview of new features and enhancements added recently to improve your Oracle Cloud Marketplace experience.

April 2019

Feature	Description
Oracle Cloud Infrastructure (OCI) install packages	You can now create stacks in OCI Marketplace. See <i>How do I get an app?</i> in <i>Using Oracle Cloud Marketplace</i> .

February 2019

Feature	Description
Marketplace in Oracle Cloud Infrastructure (OCI)	You can now find, learn about, and “Click to launch” Oracle and partner-provided application images directly from the OCI console using free, trial and/or BYOL (Bring Your Own License) licensing models for open source and commercial applications.

January 2019

Feature	Description
Usage information	For app listings, providers can include usage information. See <i>How do I get more information about an app or a service?</i> in <i>Using Oracle Cloud Marketplace</i> .

October 2018

Feature	Description
Self-Paced Training	For app listings, providers can include a self-paced training link. See <i>How do I get more information about an app or a service?</i> in <i>Using Oracle Cloud Marketplace</i> .
Oracle Cloud Infrastructure (OCI) install packages	You can now deploy apps that have OCI install packages. See <i>How do I get an app?</i> in <i>Using Oracle Cloud Marketplace</i> .
Cloud Excellence Implementer link	For services, the Cloud Excellence Implementer link points to the partner profile page on the Solutions Catalog. See <i>How do I get more information about an app or a service?</i> in <i>Using Oracle Cloud Marketplace</i> .

July 2018

Feature	Description
Become a Publisher page	You can now choose to register as an Oracle Cloud developer from the Become a Publisher page. See <i>What if I have apps or services to list on the marketplace?</i> in <i>Using Oracle Cloud Marketplace</i> .

May 2018

Feature	Description
For services, the Cloud membership links point to the partner's Solutions Catalog page.	In the details page, for services, the Cloud membership links point to the partner's Solutions Catalog page, if available. See <i>How do I get more information about an app or a service?</i> in <i>Using Oracle Cloud Marketplace</i> .

January 2018

Feature	Description
Partner name linked to the partner company's Solutions Catalog page	In the Provider tab of the Marketplace Listing, click the company name in the left pane to see the Solutions Catalog page of the company. See <i>How do I get more information about an app or a service?</i> in <i>Using Oracle Cloud Marketplace</i> .

September 2017

Feature	Description
Filter by region/country	You can now filter app listings by region or country. See How do I find apps and services? in <i>Using Oracle Cloud Marketplace</i> .

August 2016

Feature	Description
Filters	Filters moved. They display after you perform a search and on the product pages. See How do I find apps and services in Using Oracle Cloud Marketplace .
Become a Publisher	Options for becoming a publisher moved to make it easier to find. See What if I have apps or services to list on marketplace in Using Oracle Cloud Marketplace .

This document describes new features and other notable changes for Oracle Cloud Marketplace.

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this is software or related documentation that is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, delivered to U.S. Government end users are "commercial computer software" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, shall be subject to license terms and license restrictions applicable to the programs. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.

Oracle and Java are registered trademarks of Oracle and/or its affiliates. Other names may be trademarks of their respective owners.

Intel and Intel Xeon are trademarks or registered trademarks of Intel Corporation. All SPARC trademarks are used under license and are trademarks or registered trademarks of SPARC International, Inc. AMD, Opteron, the AMD logo, and the AMD Opteron logo are trademarks or registered trademarks of Advanced Micro Devices. UNIX is a registered trademark of The Open Group.

This software or hardware and documentation may provide access to or information about content, products, and services from third parties. Oracle Corporation and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to third-party content, products, and services unless otherwise set forth in an applicable agreement between you and Oracle. Oracle Corporation and its affiliates will not be responsible for any loss, costs, or damages incurred due to your access to or use of third-party content, products, or services, except as set forth in an applicable agreement between you and Oracle.
