Primary Author: Oracle Corporation

Contents

1.1 Introduction

This Licensing Information document is a part of the product or program documentation under the terms of your Oracle services or license agreement and is intended to help you understand the program editions, entitlements, restrictions, prerequisites, special license rights, and/or separately licensed third party technology terms associated with the Oracle services or software program(s) covered by this document (the "Program(s)"). If you have a question about your rights and obligations, please contact your Oracle sales representative and/or contact the applicable Oracle License Management Services representative listed on <http://www.oracle.com/us/corporate/license-management-services/index.html>.

This document covers the Oracle Access Governance Connected Systems Agent and 3rd party libraries that the agent uses.

1.2 Licensing Information

1.2.1 Third Party Notices and/or Licenses

1.2.1.1 Open Source or Other Separately Licensed Software

Required notices for open source or other separately licensed software products or components distributed in Oracle Access Governance are identified in the following table along with the applicable licensing information. Additional notices and/or licenses may be found in the included documentation or readme files of the individual third party software.

The following release versions are associated with the third-party products in Oracle Access Governance:

- 22.2.1

This table summarizes the contents of third-party notices and/or licenses and open source or other separately licensed software in for Oracle Access Governance.
