

Digital Business Experience Software Compatibility

This document lists the required applications to deploy Oracle Communications Digital Business Experience and the recommended cloud native technologies to deploy and manage the applications.

Recommended Versions of Cloud Native Technologies

[Table 1-1](#) lists the recommended versions of cloud native technologies that you need to deploy and manage applications in Digital Business Experience.

Note

Digital Business Experience supports cloud native deployment.

Table 1-1 Recommended Versions of Cloud Native Technologies

Software	Version
Fluentd	1.17.1
Grafana	11.2.2
Helm	3.16.2
Kubernetes	1.31.1
Oracle OpenSearch	2.17.1
Prometheus	2.54.1
Weblogic Kubernetes Operator	4.2.0

Required Applications for Deploying Digital Business Experience

[Table 1-2](#) lists the applications and their versions required for deploying the solution.

Table 1-2 Required Applications for Deploying Digital Business Experience

Application	Version	Notes
Oracle Analytics Publisher (OAP)	7.6	None.
Oracle Communications Application Integration Architecture (AIA)	12.3.3	None.
Oracle Communications Billing and Revenue Management (BRM)	15.1	See BRM Compatibility Matrix for more details.
Oracle Communications Elastic Charging Engine (ECE)	15.1	See ECE Compatibility Matrix for more details.
Oracle Communications Offline Mediation Controller	15.1	See Offline Mediation Controller Compatibility Matrix for more details.
Oracle Communications Launch Cloud Service	25C	Oracle CX Industries Framework (CXIF) is also required.
Oracle Communications Order and Service Management (OSM)	7.5.0.0.9	See OSM Compatibility Matrix for more details.
Oracle Communications Order and Service Management Order-to-Activate (O2A) Cartridges	2.1.2.1.2	See O2A Compatibility Matrix for more details.
Oracle Communications Pricing Design Center (PDC)	15.1	See PDC Compatibility Matrix for more details.
Oracle Communications Service Catalog and Design - Design Studio (SCD)	8.1.0.2	See SCD Compatibility Matrix for more details.
Oracle Communications Solution Test Automation Platform (STAP)	1.25.1.0.0	See STAP Compatibility Matrix for more details.
Oracle Data Integrator (ODI)	12.2.1.4.0	See ODI System Requirements and Certifications for more details.
Siebel CRM Containers	25.6	None.

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customer access to and use of Oracle support services will be pursuant to the terms and conditions specified in their Oracle order for the applicable services.

Except as expressly permitted in your license agreement or allowed by law, you may not use, copy, reproduce, translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software, unless required by law for interoperability, is prohibited.

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.

If this is software, software documentation, data (as defined in the Federal Acquisition Regulation), or related documentation that is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice is applicable:

U.S. GOVERNMENT END USERS: Oracle programs (including any operating system, integrated software, any programs embedded, installed, or activated on delivered hardware, and modifications of such programs) and Oracle computer documentation or other Oracle data delivered to or accessed by U.S. Government end users are "commercial computer software," "commercial computer software documentation," or "limited rights data" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, the use, reproduction, duplication, release, display, disclosure, modification, preparation of derivative works, and/or adaptation of i) Oracle programs (including any operating system, integrated software, any programs embedded, installed, or activated on delivered hardware, and modifications of such programs), ii) Oracle computer documentation and/or iii) other Oracle data, is subject to the rights and limitations specified in the license contained in the applicable contract. The terms governing the U.S. Government's use of Oracle cloud services are defined by the applicable contract for such services. No other rights are granted to the U.S. Government.

This software or hardware is developed for general use in a variety of information management applications. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software or hardware in dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Oracle Corporation and its affiliates disclaim any liability for any damages caused by use of this software or hardware in dangerous applications.
