Purpose

This guide is designed to help acquaint you with the Oracle Banking application. This guide provides answers to specific features and procedures that the user need to be aware of the module to function successfully.

Audience

This document is intended for the following audience:

- Customers
- Partners

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customer access to and use of Oracle support services will be pursuant to the terms and conditions specified in their Oracle order for the applicable services.

Critical Patches

Oracle advises customers to get all their security vulnerability information from the Oracle Critical Patch Update Advisory, which is available at [Critical Patches, Security Alerts and Bulletins](#). All critical patches should be applied in a timely manner to ensure effective security, as strongly recommended by [Oracle Software Security Assurance](#).

Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

Related Resources

For more information on any related features, refer to the following documents:

- Oracle Banking Digital Experience Cloud Service Licensing Manuals

Conventions

The following text conventions are used in this document:

Convention	Meaning
boldface	Boldface type indicates graphical user interface elements associated with an action, or terms defined in text or the glossary.
<i>italic</i>	Italic type indicates book titles, emphasis, or placeholder variables for which you supply particular values.
monospace	Monospace type indicates commands within a paragraph, URLs, code in examples, text that appears on the screen, or text that you enter.

Screenshot Disclaimer

Personal information used in the interface or documents is dummy and does not exist in the real world. It is only for reference purposes; actual screens that appear in the application may vary based on selected browser, theme, and mobile devices.

Acronyms and Abbreviations

The list of the acronyms and abbreviations used in this guide are as follows:

Table Acronyms and Abbreviations

Abbreviation	Description
OBDXCS	Oracle Banking Digital Experience Cloud Service

Basic Actions

Most of the screens contain icons to perform all or a few of the basic actions. The actions which are called here are generic, and it varies based on the usage and the applicability. The table below gives a snapshot of them:

Table Basic Actions and Descriptions

Action	Description
Back	In case you missed to specify or need to modify the details in the previous segment, click Back to navigate to the previous segment.
Cancel	Click Cancel to cancel the operation input midway without saving any data. You will be alerted that the input data would be lost before confirming the cancellation.
Next	On completion of input of all parameters, click Next to navigate to the next segment.
Save	On completion of input of all parameters, click Save to save the details.
Save & Close	Click Save & Close to save the data captured. The saved data will be available in View Business Product with <i>In Progress</i> status. You can work on it later by picking it from the View Business Product .
Submit	On completing the input of all parameters, click Submit to proceed with executing the transaction.
Reset	Click Reset to clear the data entered.
Refresh	Click Refresh to update the transaction with the recently entered data.
Download	Click Download to download the records in PDF or XLS format.

Symbols and Icons

The following are the symbols/icons you are likely to find in this guide:

Corporate Credit Facility Inquiry

The Corporate Credit Facility Inquiry enables corporate users to submit requests for credit facilities by providing funding requirements, company details, and contact information. Users can optionally select a specific product, enter the required funding amount, and specify the nature of the inquiry. The form captures key organizational details such as company registration, legal structure, revenue, and area of operations, along with contact details for further communication. Upon submission, the bank's relationship manager will review the request and reach out to the customer for further assistance.

To initiate a Credit Facility Inquiry:

1. Perform the following steps to navigate to the **Credit Facility** inquiry screen.
 - a. On the Bank Portal page, click on the **Corporate** tab and scroll down to access the **Product Offerings** section, click **Corporate Lending**.
 - b. From the Corporate Lending page, click **Inquire Now**.
The **Corporate Credit Facility Inquiry** form is displayed.

FAQ

1. What is a corporate credit facility?

A credit facility is a financing solution offered to businesses to support working capital needs, expansion, asset purchases or other operational requirements. It may include loans, overdrafts, revolving credit or even trade finance options.

2. Who can initiate a corporate credit facility inquiry?

Corporate credit facilities are available to registered businesses such as companies, partnerships and sole proprietorships, subject to the bank's eligibility criteria and credit assessment.

The corporate credit facility inquiry forms are available to corporate customers that are new to the bank i.e. those that do not have any prior relationship with the bank. Existing corporate customers may apply for credit facilities by logging into the bank's website with their login credentials.

3. What information will I need to submit this form?

Besides basic information of the company's funding needs, you will be required to provide details such as company registration number, annual revenue, incorporation details, and area of operations. You will also be required to provide information of the contact person to whom the bank can contact so as to take the inquiry further. Additional information and supporting documents may be requested by the appointed relationship manager after submission.

4. Can I track the status of my credit facility inquiry/application?

Yes. Once your inquiry has been submitted, you can track its progress anytime using the Application Tracker. It will display the current status of your inquiry/application.
