Purpose

This guide provides a facility for bulk creation with the template, samples, and attributes of the various functions through File Upload process.

Audience

The user guide is intended for the following User/User Roles:

Table 1 Audience

| Role | Function |
|--------------------------------|--|
| Back office data entry Clerks | Input functions for maintenance related to the interface |
| Back office Managers/ Officers | Authorization functions |

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.
