Purpose

This guide helps you understand the guiding rules for Oracle Financial Services Interconnect licensing, the components included in the license and the units that are separately licensed. This guide also provides information on the third-party software that is packaged with Oracle Financial Services Interconnect.

Intended Audience

This document is intended for the following audience:

- Customers
- Partners

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc>.

Access to Oracle Support

Oracle customers that have purchased support have access to electronic support through My Oracle Support. For information, visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=info> or visit <http://www.oracle.com/pls/topic/lookup?ctx=acc&id=trs> if you are hearing impaired.

Critical Patches

Oracle advises customers to get all their security vulnerability information from the Oracle Critical Patch Update Advisory, which is available at [Critical Patches, Security Alerts and Bulletins](#). All critical patches should be applied in a timely manner to make sure effective security, as strongly recommended by [Oracle Software Security Assurance](#).

Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners,

we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

Conventions

The following text conventions are used in this document:

Convention	Meaning
boldface	Boldface type indicates graphical user interface elements associated with an action, or terms defined in text or the glossary.
<i>italic</i>	Italic type indicates book titles, emphasis, or placeholder variables for which you supply particular values.

Oracle Financial Services Interconnect Licensing

This topic describes information about Oracle Financial Services Interconnect licensing. It contains the following sections:

- General licensing rules
- Components included in license
- Separately licensed pre-requisite products and licensing metric
- Restricted use license

General Licensing Rules

Not applicable to Oracle Financial Services Interconnect.

Components Included in License

Not applicable to Oracle Financial Services Interconnect.

Separately Licensed Pre-requisite Products and Licensing Metric

The module wise list of separately licensed products and the licensing metric is given below:

Table 1-1 Module List

Module Description	Separately Licensed Prerequisites	Licensing Metric(s)
Oracle Financial Services Interconnect	Oracle Database Enterprise Edition, Oracle HTTP Server, Oracle Weblogic	10K API Calls

Restricted Use License

Oracle Financial Services Interconnect includes restricted use of Oracle Coherence Enterprise Edition.

Oracle Financial Services Interconnect is available as “Restricted Use” with all FLEXCUBE/ Oracle Banking products. If a customer has licensed any FLEXCUBE/ Oracle Banking product, they will be able to use Financial Services Interconnect functionality to build API interface, upload/download files and track events originating from or end in Oracle Financial Services Interconnect.

If a customer chooses to use Financial Services Interconnect for use-cases that does not involve any other FLEXCUBE/ Oracle Banking product; then Oracle Financial Services Interconnect needs to be licensed separately.
