Diversity and Inclusion

Oracle is fully committed to diversity and inclusion. Oracle respects and values having a diverse workforce that increases thought leadership and innovation. As part of our initiative to build a more inclusive culture that positively impacts our employees, customers, and partners, we are working to remove insensitive terms from our products and documentation. We are also mindful of the necessity to maintain compatibility with our customers' existing technologies and the need to ensure continuity of service as Oracle's offerings and industry standards evolve. Because of these technical constraints, our effort to remove insensitive terms is ongoing and will take time and external cooperation.

Documentation Accessibility

For information about Oracle's commitment to accessibility, visit the Oracle Accessibility Program website at http://www.oracle.com/pls/topic/lookup?ctx=acc&id=docacc.

Access to Oracle Support

Oracle customer access to and use of Oracle support services will be pursuant to the terms and conditions specified in their Oracle order for the applicable services.

Conventions

The following text conventions are used in this document:

Convention	Meaning

My Case Report

My Case Report window enables the CS analysts to view and access the assigned CS-specific cases.

To enable the **My Case Report** window for a CS Analyst, you must map and authorize the **Data Maintenance Admin** group to the user using the Admin Console. For more information about mapping the group, see Using the Admin Console.

To access My Case Report Window and canned report, follow the subsequent steps:

1. Enter the URL in the web browser. The **Oracle Cloud** login page is displayed.
2. Enter your **User ID** and **Password**.
3. Click **Sign In**. The Applications landing page is displayed.
4. The **Navigation List** displays the list of modules. Click **Oracle Financial Services Crime and Compliance Management Anti Money Laundering Cloud Service**. The menu options are displayed.
5. Click **Case Management** then click **My Case Report**. The Date Reporting - Data View window is displayed with `FCC_CANNED_CS_ASSIGNED_CASES_REPORT`. The `FCC_CANNED_CS_ASSIGNED_CASES_REPORT` has the cases assigned to logged-in user.
6. Click on the Filter icon to create attributes filters for the reports. For more information, see Editing Report Attributes/Columns
7. Click on the **Menu** button next to Canned Report and then select **View** to view the report details.
8. Expand the report to view the default Attribute names. In the top right corner of the **Attributes Selection** tab, click **Apply** to preview the report details in the **Data Preview** tab.
9. Click on the **Download** button to download the report details in CSV file format.
