Safety Guidelines

- **Caution! Always use OEM-supplied or recommended batteries; incorrect battery types may increase the risk of fire or explosion.** Dispose of used batteries according to the manufacturer's instructions and local laws and regulations.
- Turn off the power immediately if you notice abnormal odors, heat, or smoke.
- To prevent damage which may result in fire or shock hazard, do not expose the device to rain or moisture.
- Do not use the device in extremely cold or hot environments.
- Do not drop, throw, or bend the device.
- Use the device in a clean, dust-free environment to prevent the intrusion of small debris/particles.
- Do not use the device near medical equipment without permission.

Statements

Oracle does not assume responsibilities for the following actions:

- Damage caused by use and maintenance that does not comply with the conditions specified in this guide.
- Damage or problems caused by optional items or consumables.
- Damage caused by unapproved modifications. The customer is not entitled to change or modify the product.

Disclaimer

The information contained herein is subject to change without notice and is not warranted to be error-free. If you find any errors, please report them to us in writing.
