## Diversité et inclusion

Oracle s'engage dans la promotion de la diversité et de l'inclusion. Oracle respecte la diversité au sein de son personnel et y accorde une importance toute particulière, car elle renforce le leadership d'opinion et l'innovation. Dans le cadre de notre initiative visant à établir une culture plus ouverte ayant un impact positif sur nos collaborateurs, nos clients et nos partenaires, nous travaillons actuellement à la suppression des termes inappropriés dans nos produits et notre documentation. Nous sommes également attentifs au maintien de la compatibilité avec les technologies existantes de nos clients et à la continuité de service afin d'accompagner l'évolution des normes du secteur et des offres d'Oracle. Le processus de suppression des termes inappropriés est en cours. En raison de ces contraintes techniques, il prendra un peu de temps et nécessitera une coopération externe afin d'être mené à bien.
